

If a family does not receive an ADC cash payment due to the \$10 minimum payment provision are they still mandatory to participate in Employment First?

No. The family is not subject to Employment First requirements and is non-time limited. See 468 NAC 3-003 Minimum Payment.

The adult(s) or minor parent head-of-household included in the ADC unit may choose to volunteer to participate in Employment First. See 468 NAC 2-020.03 Voluntary Participation.
